ACCREDITATION***

RECOGNITION REVIEW STATEMENT

At its meeting on January 25, 2010, the Council for Higher Education Accreditation (CHEA) Board of Directors reviewed the recommendation of the CHEA Committee on Recognition regarding the eligibility application submitted by the Council for Standards in Human Service Education (CSHSE). The board of directors determined that the Council for Standards in Human Service Education should be considered eligible to undertake a recognition review.

The Council for Standards in Human Service Education will complete a self-evaluation providing evidence that it meets the 2006 CHEA recognition standards. The CHEA Committee on Recognition will review the self-evaluation, the observation visit report, oral presentation by the Council for Standards in Human Service Education and any third party comment at its November 21-22, 2010 meeting and make a recommendation to the CHEA Board of Directors. The CHEA Board of Directors will make the final determination of recognition status. Until that action, the committee's recommendation is an interim determination only.
